

MOTION BY SUPERVISOR GLORIA MOLINA

February 14, 2006

The Community Development Commission (CDC) is assisting my office with various community enhancement projects in the First Supervisorial District. These projects are funded using various discretionary sources from my district that are controlled by the Executive Office of the Board of Supervisors. I have previously authorized the allocation of the funds to the CDC but in order to accept the funding the Commission needs Board approval to amend the funding into their budget.

I, THEREFORE, MOVE that the Board of Supervisors:

1. Authorize CDC to amend their budget to accept funding from the Executive Office for the following programs: \$18,000 from Puente Hills Community Benefit Fund for drainage work in Avocado Heights; \$201,000 from First District Economic Development Fund for Whiteside Redevelopment area; and \$200,000 from the South Whittier Resource Center PFU account for operating costs at the center; and
2. Authorize the Executive Director of the Commission to take all actions and execute all necessary documents to complete the acceptance and transfer of the funds for the specified projects.
